To the Members of the Independent Citizens Redistricting Commission,

I'm reaching out on behalf of Austin Tech Alliance, a member-supported nonpartisan 501(c)(3) nonprofit building a culture of civic engagement in Austin's tech sector. Throughout the year ATA conducts Q&A's with newly elected officials and actively participating citizens. These Q&A's are a way for us to introduce you and what you do for our community. We hope that sharing these completed Q&A's will also highlight the importance of being involved in redistricting! We would love the participation of all those currently serving on ICRC.
